1 **RESPONSES TO INTERROGATORIES**

2 **INTERROGATORY NO. 1:**

3 Identify any person that is a California resident with a valid California Driver's License or
4 Identification Card who currently possesses and is willing to sell a Para USA (Para Ordinance)
5 P1345SR pistol with a stainless steel finish in .45 ACP caliber and a 4.25 inch barrel.

6 **RESPONSE TO INTERROGATORY NO. 1:**

7 Objection. This interrogatory is untimely. Under the court's scheduling orders, discovery
8 closed on October 4, 2013. Defendant did not serve these interrogatories by e-mail until
9 September 10, 2013, which was less than 30 days before all discovery was to be completed. (See
10 Doc. nos. 47 & 51.) Therefore, plaintiff failed to allow for the required time for defendant to
11 answer these interrogatories.

12 This interrogatory is also objectionable because it exceeds the scope of permissible
13 discovery, which has been "limited to issues related to micro-stamping." (Doc. no. 51.)

14 Without waiving these objections, defendant states that he is unable to identify any such
15 person because he is not in the possession, custody or control of the information needed to do so.
16 Defendant simply does not keep track of the relevant information for each and every handgun that
17 may be offered for sale in California at any given time. Defendant further states that since this
18 action was filed, the number of annual handgun sales transactions in California have been as
19 follows:

20 2007: 180,190

21 2008: 208,312

22 2009: 228,368

23 2010: 236,086

24 2011: 293,429

25 2012: 388,006

26 The above numbers are reflected in the chart titled Dealers Record of Sale Transactions, a
27 copy of which is attached as Exhibit A.

1 **INTERROGATORY NO. 2:**

2 Identify any person that is a California resident with a valid California Driver's License or
3 Identification Card who currently possesses and is willing to sell a Glock 21 SF pistol with an
4 ambidextrous magazine release.

5 **RESPONSE TO INTERROGATORY NO. 2:**

6 Objection. This interrogatory is untimely. Under the court's scheduling orders, discovery
7 closed on October 4, 2013. Defendant did not serve these interrogatories by e-mail until
8 September 10, 2013, which was less than 30 days before all discovery was to be completed. (See
9 Doc. nos. 47 & 51.) Therefore, plaintiff failed to allow for the required time for defendant to
10 answer these interrogatories.

11 This interrogatory is also objectionable because it exceeds the scope of permissible
12 discovery, which has been "limited to issues related to micro-stamping." (Doc. no. 51.)

13 Without waiving these objections, defendant states that he is unable to identify any such
14 person because he is not in the possession, custody or control of the information needed to do so.

5 finish in .45 ACP.

6 **RESPONSE TO INTERROGATORY NO. 3:**

7 Objection. This interrogatory is untimely. Under the court's scheduling orders, discovery
8 closed on October 4, 2013. Defendant did not serve these interrogatories by e-mail until
9 September 10, 2013, which was less than 30 days before all discovery was to be completed. (See
